Dear Parents

With only one week to go until half term, I keep asking myself where has the time has gone? It only seems like yesterday when I was welcoming you back after the Christmas break. Straight after half term, we will be holding our mid-year parent consultations and I will be sending out the information early next week. These meetings are really important as we reach the middle of the academic year, as we can discuss your child's progress and anything we need to focus on going forward. Please do make an appointment to see your child's class teacher.

Star of the week

Congratulations to our Stars of the Week:

Reception – Kaitlyn Year 1 – Raelyn Year 2 – Rafa Year 3 – Bailey Year 4 – Raphael Year 5 – Caiden Year 6 – Aston

Year 1

Earlier this week, Year 1 visited Hamptonne to take part in some story telling sessions. They visited different parts of the site and heard different traditional stories. It was great experience for them and the children have told me how much they enjoyed it. The feedback on the children's behaviour was excellent, as always.

Theatre Group

On Wednesday, we were visited by a theatre group who performed Little Red Riding Hood for Nursery, Reception and Year 1. The performance was in Portuguese and English and was fantastic. The children joined in with the story and had a great time. A brilliant way to incorporate some of our school languages.

Covid

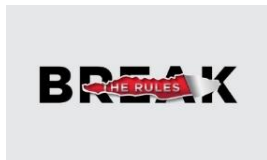

We are starting to see a rise in covid cases in school again at the moment. It is important that we minimise the spread of the virus to ensure children and staff are able to attend school as normal. If your child has covid symptoms, please do test them with a lateral flow test if possible. If the test is positive, the government guidance is still to stay at home as much as possible to stop the virus spreading. Once the symptoms start to subside or the lateral flow test is negative, children can return to school. Your support with this is appreciated.

Water bottles

Please make sure that your child has a named water bottle with them in school each day. We try to encourage children to stay hydrated and have regular drinks across the day. A reminder that our policy is water only and not juice of any kind. Thank you for your support with this.

Non-Uniform Day – Break the Rules

We will be holding our next non-uniform day on Friday 9th February. We will be returning to a ‘Break the Rules’ day and children will be able to pay for the privilege of some relaxed uniform rules. See the poster attached.
