Dear Parents

As we near the end of this term, it is lovely to see some sunshine for a change. A lot of our PE sessions have been able to take place outside and it makes such a difference to the space we can use. This week has been another busy one and I think we will all need a break in a few days! Next week is a short week, so this will be the last newsletter for this term.

### **Star of the week**

**Congratulations to our Stars of the Week:**

**Reception – Anotida Year 1 – Lacie Year 2 – Daniel Year 3 – Dylan M Year 4 – Arya Year 5 – Sofie Year 6 - Amari**

### **Make the Call**

Year 3,4,5 and 6 had a very important assembly this week, called 'Make the Call'. It was explaining how the emergency services respond to 999 phone calls and what to do if you are in an emergency situation and need help. The children also heard about why you should never make hoax calls as it could be taking help away from someone that really needs it.

### **Y4 Violin Concert**

For the whole of this term, Year 4 have been taking part in a class music project and learning to play the violin. They have been amazing and this week, performed a concert for their families. In 10 weeks, they have learnt how to hold the instrument properly and play a number of different pieces. The concert was superb, and they even taught me how to hold a bow properly! The feedback from the Jersey Music tutors was that they are one of the best classes they have ever taught. All the children should be very proud of themselves. We are extremely proud of them.

### **Eco-Council**

Alongside our school council, we have just elected our new eco-council. They will be starting to work with Miss Sampson after Easter and will focus on how we are looking after our environment in and around school. More news to follow from our newest pupil group.

Year 1 – Skye and Archie Year 2 – Shivansh, Axel and Jagoda Year 3 – Ivy and Dylan

Year 4 – Cole and Filipa Year 5 – Matthew and Sofie Year 6 - Rose and Daniel

### **Hot Meals**

Hot lunches for after Easter need to be ordered by 3<sup>rd</sup> April. Orders after this date will not be processed.

## HSA Bingo

The HSA are holding a bingo night on Tuesday 26<sup>th</sup> March. Tickets are still available by returning the form to the school office.

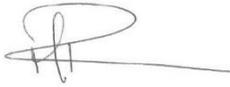

## Rights Respecting School

RRS Article of the month:

### **Mental Health Awareness Week - Article 24**

Mental Health Awareness Week occurs every year in March and is an ideal time for us all to think about mental health, tackle stigma, and discuss how we can create school environments that protect our mental wellbeing. The week is based around a different theme each year, and previous themes have included nature, kindness, and body image. It is hoped that as many people as possible will have conversations about mental health and the everyday things that can affect it. Our mental health clearly links to Article 24 of the CRC but, if you think about it, many of the other rights that children and young people are entitled to, also contribute to good mental health. See how many connections you make to different rights in this week's activities.

Have a lovely weekend,

Mal Robson
