Dear Parents

The sun has started to shine (mostly!) and the summer term is flying by. The children have enjoyed spending time outside this week, making the most of the better weather. As usual, we have a busy week of learning opportunities and we celebrated these in assembly this morning.

Star of the week

Congratulations to our Stars of the Week:

Reception – Scarlett Year 1 – Sienna Year 2 – Sophie Year 3 – AJ Year 5 – Jason Year 6 – Romi-Mae

Summer Fair

Our Summer Fair is just around the corner now and we are keen to for it to be as successful as usual. This is one of the biggest fundraisers of the year and helps to provide funds for many different school resources and activities. This year we have purchased an interactive whiteboard, sensory resources, classroom resources, coach hire for trips, just to name a few things. We really need help with donations of the following items:

- Bottles – unopened
- Toys
- Plates – for the plate smash
- Cakes – to be brought in on the day of the fair

Any donations can be brought to the school office from today (apart from cakes). Huge thanks for your help.

Year 4 Crabbe

Year 4 have enjoyed a fantastic few days at Crabbe this week. They have taken part in a range of activities designed to challenge them and build effective teamwork. The feedback from the staff is that they have been a pleasure to be with and everybody has challenged themselves and achieved something new. A huge thanks to the staff team for supporting the children 24 hours a day over the last few days. They are all superstars.

Coffee Morning

Miss Carroll is holding a coffee morning to support parents whose children may have 'meltdowns' when things are getting tricky. This is open to all Springfield parents and we would love to see you. 19th June 9.00 – 10.30.

Sun Safety

We are hoping that the weather is going to be warm and sunny after half term. Please remember to send your child into school with a hat and suncream applied for the forecasted sunny days.

School Meals

The cut off dates for ordering meals are below:

Cut-off date	Food service
5 th June	Week beginning 17 th June
12 th June	Week beginning 24 th June
19 th June	Week beginning 1 st July
26 th June	Week beginning 8 th July
3 rd July	Week beginning 15 th July

If you haven't ordered food by the cut-off date, then no food can be provided for your child.

If your child is having hot lunches, they do not need additional food for lunchtime. The portions provide plenty of good food so please do not send in any extra lunch items.

You may see some dates that are locked when you are trying to order for next half term. This is likely to be because your child is not in school for lunch that day due to a school event. See the dates for the diary below.

Rights Respecting School Article of the month

Article 31 - Every child has the right to relax, play and take part in a wide range of cultural activities

As the weather is getting warmer, we are focusing on Article 31 - which states that every child has the right to relax, play and take part in a wide range of activities including cultural activities. So why not visit a local museum or historical site, start a new hobby or learn how to do yoga or meditation. School sports clubs have started after school, so why not sign up?

Some children in wars zones and places of conflict are not able to access these rights. What can we do as global citizens to help them?

Have a lovely weekend and enjoy the sunshine.
