Dear Parents

This week has been action packed with learning and we have welcomed lots of visitors into school. The NSPCC have worked with the children around keeping safe, Year 2 have continued their music sessions with Jersey Music Service and we had a fantastic time in the Explorer Dome.

### Star of the week

**Congratulations to our Stars of the Week:**

**Year 1 – Jessica Year 2 – Beau Year 3 – Jagoda Year 4 – Imogen Year 5 - Lennix Year 6 – Sofie**

### Explorer Dome

Yesterday, we had the explorer dome in school. This is a giant inflatable dome that the children go inside to experience learning in a different way. The focus this year was around science and the human body and the feedback from the children was amazing. It's great to be able to provide such a range of learning experiences for our children.

## Story Trail

Earlier today, Reception and Year 1 visited the brand new story trail in Howard Davies Park. This has been set up by ECOF and we got to try it out, taking part in activities based on the story We're going on a Bear Hunt. The children took part in a bear hunt, listened to the story and then followed the story trail around the park. It is well worth a visit and the story will be changed regularly meaning you can keep going back to have fun.

## Cross Country

We had a large team of Year 5 and 6 children that took part in the schools cross country competition earlier this week. Miss Linney was delighted with the team and the support they gave to each other. All children finished the course and were rightly proud of themselves. Well done all!

## Parish Police

I have had a few conversations with the honorary police this week regarding parking on the yellow line and 'Keep Clear' sections of St Marks Road. They have asked me to remind all parents that these areas are not for stopping or parking as it can make it dangerous for the children coming in and out of school. They will be monitoring these areas regularly so please avoid waiting in cars to help keep the children safe.

Can I also remind all parents not to use the staff car park at drop off and pick up times.

## Tinathon

This morning, we collected an amazing 230 tins to go towards the Tinathon charity event. Thank you so much to everyone that helped us reach this total. It will really make a difference to people lives and those that need it most.
