Dear Parents

Welcome back to the second half of Autumn Term. I hope you enjoyed a lovely half term break and managed to have lots of Halloween fun. We are heading into a very busy time of year in school and I will try to make sure you have all the dates that you need to know about on the newsletters over the coming weeks. We have had such an action-packed week in school and have definitely come back with lots of energy and ready to learn.

Story Beast

The Story Beast has been in school this week to work with the children and engage them in really creative and energetic story telling. He shared local stories as well as helping the children to think of fantastic vocabulary and descriptions to use in their own work. He was brilliant and the children loved the sessions.

Photographs

The photographers were in school this week taking photographs of individual children and also with siblings. Information about how to view and order these will be sent out on Monday.

Poppies

Thank you all those children who have purchased a poppy from the school office for Remembrance Day. All funds raised go to the Royal British Legion to support their work across the UK.

Our House Captains and Vice Captains took part in poppy laying this week with St Helier Parish. They represented our school brilliantly and they were praised for their excellent attitude and manners.

Parents Consultations

It was great to see so many of you at our parents meetings this week. A record of your meeting and notes from teachers will be sent home soon so you have a record of your discussions and your child's current progress.

Winter Art Competition

We held our first house meetings this morning and our Captains and Vice Captains introduced our first inter-house competition for this year. This will be a winter art competition and all children have the opportunity to enter to support their house. Further details are attached with the newsletter.

Year 5 – Victorian House

Year 5 visited the Victorian House this morning to support their learning around the Victorians. They looked at the challenges for children and families in Jersey during this time and compared what life was like for children their age. They are very pleased that a lot of the punishments are now no longer used!

School Meals

The cut off dates for orders up to Christmas are below:

Don't miss out!
order your child's meal in time
