

Entitlement at Springfield

At Springfield School we are developing a rich curriculum going beyond the core requirements. We will provide enrichment that broadens children's experiences, giving them a love of the island of Jersey and a taste of life's opportunities.

At Springfield school every pupil will have the opportunity to:

Visit significant places in Jersey

Represent their house in an event or competition, including sporting events

Be part of a live performance

Attend school clubs that extend learning outside of the classroom, including Outdoor Well-Being (Eco-Therapy)

Learn to swim

Share their voice through School Council and Eco-Council

Actively demonstrate and uphold their rights in line with UNCRC

Experience live music

Play an instrument

Have a residential trip in Jersey and visit other Channel Islands

Work alongside local experts

Learn another language and celebrate their own language, heritage and culture

Collaborate with other schools and communities

Contribute to fundraising for charity

Celebrate their achievements
