Dear Parents

Welcome back to the Autumn Term. I hope that you all had a good holiday and enjoyed some family time. Although we have had a shorter week, the children have made an amazing start. I have been in all classrooms and seen the hard work that has already started, really impressive. The children seem pleased to be back with their friends and already resumed the super teamwork that we demonstrate at our school.

A special welcome to our new Nursery and Reception parents and other new starters across the school. We look forward to being part of your child's learning journey at Springfield. I would also like to welcome Miss Meacham and Mrs Freeman who have joined our team of support staff.

### **Uniform**

Our children look so smart in their uniform this term. Thank you so much for enabling this to happen – we like the children to have pride in their school and wearing the uniform smartly shows this. Please make sure all items of clothing are named as we have so many items of lost property that we cannot reunite with the children.

### **Save the date!**

On Tuesday 9th September (6pm-7pm) we would like all (Rec – Y6) parents to attend our 'Meet the Teacher' event. This is a great opportunity for me to share the school focus for the year ahead and also to meet the team at Springfield. Parents will have the opportunity to hear from class teachers regarding the year ahead for their specific classes and how parents can help at home.

### **HSA – Home School Association**

Our home school association is made up of school staff and parents with the aim of supporting the children in school with both opportunities and fund raising. We are always looking for parents to help in some way and attend our short meetings if they can. We only meet once every half term for around 1 hour to discuss fundraising events and any decisions that can be shared or require parental input. If you feel you can help in any way and haven't already let Mr Robson know, please get in touch.

### **School INSET/ Training**

Earlier this week, the school staff have completed hours of training. We have looked at the priorities for the school as we move into this academic year, and I shared these at the parents evening last night. Our specific focus will be on Maths, Developing Oracy skills and developing our curriculum offer.

### **PE Days**

The PE days for this term are as follows:

Monday – Nursery, Reception, Year 1, Year 3 and Year 4
