03.10.25

We have had another busy week in school with lots of different learning activities taking place. We have announced our new Rights Respecting School Councillors and Eco team, following the elections last week. We also voted for our new House Captains and Vice Captains and they have now taken up their new roles for this school year.

House Captains

Today, we presented our new House Captains and Vice Captains with their official badges. They were voted in by their respective houses and will now work with all the children in their house to take part in house events and make sure they are earning as many house points as possible. They will also meet regularly with me to discuss school matters, make decisions and greet visitors to school.

A lot of children put themselves forward and they all delivered excellent speeches, well done Year 6. Congratulations to:

Durrell – Thomas and Mia
Langtry – Filip and Julie
Vardon – Kayden and Millie

Explorer Dome

On Monday, we were lucky enough to have the Explorer Dome in school. All of our classes had a session learning about the Environment in such an amazing way. The feedback from the children was super and I think they would like us to book it again for next year!

Here is feedback from Reception class:

On Monday we had a special visit from the Explorer Dome. To get into the dome, we had to crawl through a dark tunnel. We were really brave! In the dome, we sat and listened to our visitors as they told us all about different animals and their habitats around the world. We also learned about how they have evolved in different places, including using camouflage. This led onto the topic of preservation and what we need to do to keep our world healthy and safe. We explored recycling and reusing. Highlights included finding out about the different animals we might find in a rainforest and using dry ice to replicate the weather conditions in the arctic.

Year 2

To celebrate what would have been Gerrald Durrell's 100th birthday, Jersey Zoo have created a colourful flower display which includes his favourite flowers. As part of this, Year 2 took part in an art workshop at the zoo this week and made their own colourful flowers.

Jersey Bulls

We have been selected to be Team of the Week at the Jersey Bulls on 18th October. Letters have already been sent out but we still have a few places left. This is open to all children from Year 2 up to Year 6 and each child must be accompanied by a parent. If you haven't already let Mr Robson, get in touch asap.

Dates for the diary

Date	Event
6 th – 10 th October	Y5 John Muir Award
21 st October	Y5 Cycling
24 th October	Break the Rules day
28 th Oct – 1 st Nov	Half Term
