## 07.11.25

### [Headteacher's update](#)

We have had a brilliant start to this half term. The children look refreshed and raring to go, as do the staff! I hope you had a lovely half term break and enjoyed the time away from school. The children have been telling me about all the things they have been doing - going to the beach, the park, aquasplash and so much more.

We have a very busy few months ahead so please keep an eye on the dates for the diary to make sure you don't miss any of our school events.

## Poppy Laying

On Wednesday morning, our House Captains and Vice Captains took part in a poppy laying ceremony for the Parish of St Helier. They talked about the importance of the service given by the men and women during the world wars and recognised this by laying poppies by their grave stones. They represented our school with huge respect and exemplary behaviour.

## Reception

Earlier this week, Reception class visited St Saviour's Woods. They explored the natural materials they could find and looked at habitats as part of their learning. They also had the added bonus of waving off Princess Anne as she left Government House at the end of her visit to the island.

## Year 1

Year 1 donated a huge amount of toys to the Variety Jersey Charity on the Friday before half term for their community focus days. They showed such generosity and we are very proud of them for thinking of other children who will benefit from the lovely toys.

## Well done Jasmine!

It was a very busy half term for one of our Year 5 pupils. Jasmine took part in the October Meet swimming competition at Haute Vallee School. She achieved an impressive haul of silver and bronze medals in different events. She was also very busy performing in the Eisteddfod Dance Competition in which she delivered a beautiful performance in the Classic Ballet section. We are really proud of Jasmine and her fantastic achievements.

## Parent Consultations

It was great to see so many parents at our consultation meetings this week. These meetings are an important part of our partnership work with parents to ensure we are supporting the children in as many ways as we can. If you weren't able to make it this week, please see your child's class teacher to find a time for a catch up.

## Communication

Please can ask that parents try to read communications that are sent out from school as either emails or text messages. We try to keep these to a minimum but there are times when we share information about changes to clubs, events, etc...Recently, we have had lots of queries to the

office that have already been answered in our communications. Many thanks for your help with this.

## Punctuality

Just a gentle reminder that children need to be in school by 8:30am every day. We open the school gates at 8:15am which allows 15 minutes for children to arrive on time. A late start can unsettle children meaning a difficult start to their day. Also, please make sure you have suitable arrangements in place for your children to be collected at the end of our day, 2:45pm. We don't have any other options for children who are late being collected other than our after school club which may already be full. If your collection arrangements change across the day, please let us know so we can share that information with your child and the class teacher.

## Winter Art Competition

Please see the details attached about our Winter Art competition. This is our first house competition this year and proved very popular last year. Get creative and have some fun drawing, painting or making. There are lots of house points to be won!

## Hot Meals Survey

From the CYPES Meals team:

As part of our review of the current school meals pilot, we are keen to gather as much feedback from parents and carers as possible. Your views will help us understand the impact of the current provision and inform the next phase of the service as we move toward the tender process next year.

We would be very grateful if you could take a few minutes to share your views. The link is included below:

<https://forms.office.com/e/gHxjZQbtSM>

## Hot Meals

Please see the deadlines for ordering hot lunches.

***Don't miss out!***

***Order your child's meals on time.***
