[Headteacher's update](#)

Another busy week has flown by and school has been a very busy place again. The children are showing real determination in their learning and we regularly celebrate this in assembly on a Friday. We know that learning can sometimes be challenging but the Springfield way is to give it your best shot and ask for help if needed. In classes, we often see pupils helping each other, which is fantastic to see and something we encourage.

[Football Team](#)

Last Saturday, our football teams played against Rouge Bouillion at Springfield Stadium. Due to fantastic teamwork and effort, we won both games: 5-2 and 6-0. Mr Shenton praised the teams for their support for each other and the positive spirit that they demonstrated. A huge well

done to all of our football players and thank you to Mr Shenton and all the parents for giving of their time on a weekend.

Year 6 Cricket

Year 6 have started their cricket coaching sessions this week. They are working with a specialised coach to develop throwing, catching, aiming and batting. We already have some real potential in the class and I'm looking forward to seeing how their skills develop even further.

Jerriais Eisteddfod

A huge congratulations to some of our Year 6 pupils who took part in the Jerriais Eisteddfod this week. Thomas, Keven, Kelly, Aiden and Raphael performed brilliantly and they all well deserved their Gold certificates. We are very proud of them.

Little Springs

Our pre-school group, Little Springs continued this week. The focus for this week was the story 'Brown bear, brown bear, what do you see?'. The focus was on exploring colours & beginning to name and recognise them. The children were amazing!

House Meetings

Our House Captains and Vice Captains met with their houses this morning to launch our house competition for this half term. Children will be taking part in a times tables challenge in a few weeks time to earn extra points for their house totals. Our house leaders also encouraged their teams to earn as many house points as they can by trying hard, being polite, being kind and always giving their best effort.
