Dear Parents/Carers

Website

Our new school website is now live and can be found at: www.springfield.sch.je. I am delighted that this is now up and running after such a long time in the development. There is still a lot to add over the coming months but we are already using many of the features – newsletters, calendar, policies, photo gallery and online safety. Keep checking back over the coming weeks to see the new content.

Deco Day

We have had a fantastic day in school today, making decorations and decorating the school. I have uploaded lots of the pictures onto our new website - <http://www.springfield.sch.je/gallery/?pid=27&gcatid=3&albumid=1>. A huge thank you to those parents that were able to come in and help with activities.

Football Festival

Earlier this week, Mr Robson took a girls and boys mixed football team to a festival at Springfield Stadium. The effort and teamwork was fantastic and they achieved some brilliant results. The most important thing was that all children played with smiles on their faces.

Opening of playground

This morning, we had the official opening of our new play area and equipment. The area has been dedicated to two past members of the Variety Charity who are now longer with us. Huge thanks go to Variety Jersey and the Co-op community fund in helping to fund this fabulous addition to our school.

Christmas Hamper Appeal

As we move towards Christmas, we are thinking about supporting families and our local community. This can be a difficult time for some families and as a school, we strive to offer as much support as possible. Like the last few years, we are asking for food donations so we can put them together in hampers that can then go to those who would really benefit from it. If you would like to donate any dried food items (tins, pasta, packets, rice, biscuits etc) we would be very grateful. Also, any Christmas treats would also be a nice addition to the hampers. Many thanks in advance of your support again this year.
