The children have been focussing on working with partners or in groups this week. This is something we talk about frequently and the children demonstrate excellent co-operation and support for each other. I have seen lovely examples of team work in classrooms and also how well children play together at break times. These are great life skills and it is pleasing to see how well our community works together.

Uniform Sale

The next uniform sale will be on Thursday 2nd February in the school hall. The sale will be open from 8.15am – 9.00am and then 2.00pm – 3.00pm. We have lowered the prices of items and at the moment, we can only accept cash. I hope that this will be useful to parents and we will organise a sale every month from now on.

Jersey Bulls

Last Saturday, a group of children attended the Jersey Bulls football match. They got to be mascots to the players, walking out onto the pitch with them and playing a small match of their own. It was a great afternoon and the children were a credit to the school. The feedback from Jersey Bulls staff was excellent and the bulls won the game 3-0.

Covid 19 update

As part of the continued de-escalation of COVID-19 measures, a number of changes will be happening at the end of the month including the end to Government provided PCR testing and the closure of the Coronavirus Helpline

To keep our community safe and well please can we ask you to:

- continue following general Public Health guidance
- keep your child at home if they have a fever and feel unwell
- do a LFT if they have COVID-19 symptoms
- After a positive LFT, don't return for at least 5 days and when symptom free for 48 hours

Parent Consultation Meetings

We are holding our next parent consultation evenings on 21/22/23 of February. We letter send a letter out next week with details of how to book an appointment.

EYECAN

EYECAN Children's Spectacles Voucher Scheme for children under the age of 8:

EYECAN a local charity believes all children should be able to develop their abilities and interests without experiencing the frustrations of poor sight.

As early detection provides the best opportunity to correct sight problems, EYECAN is providing vouchers to all Island children under the age of 8 to cover up to £150 towards the cost of prescription spectacles.

Parents and guardians can claim one EYECAN voucher per child every 12 months by simply entering their child's JY number and date of birth on the voucher and presenting it at one of the opticians participating in the scheme. A list of participating Opticians can be found on EYECAN's website www.eyecan.je.

Vouchers can be downloaded from their website or obtained from participating opticians. Full terms and conditions can be found on their website.

Glasses collection

A team of Ophthalmology professionals from Jersey are visiting Lahore, Pakistan in March 2023 to undertake visual screening in schools and orphanages. They are hoping to take as many pairs as possible, of old children's glasses (or small adults) with them. If you have any to donate, please give them to your school office for collection.

Have a lovely weekend,
